

SPOTLIGHT DANCE

2024-2025 WELCOME LETTER (8/25/24)

Dear Dancers and Parents,

Welcome to 54 years of Spotlight Dance!

Fall is approaching and registration has started. Classes will start on September 9th and continue through early to Mid-June. Our 2024-2025 Schedule (Day Planner or Listing), Enrollment Contract, and Registration Forms are available on our website in the Downloads section.

We will have leotards, tights, skirts, and dance shoes available for sizing and purchase during registration. If you need help choosing the appropriate class level for your dancer a teacher will be available.

Online Registration:

Again this year is the option to register for classes online using our Parent Portal (<https://dancestudio-pro.com/online/spotlightdanceva>). If you are an existing customer then you already have an account and only need to login, select your classes, make your first payment, and optionally sign up for Auto-Pay. Instructions on how to use the online registrations are detailed in this document:

<https://www.getintothspotlight.com/resources/Common-Items/DSP-Registration-Instructions.pdf>

If your email address is not located when you try to login then it is not one you currently use or we were never provided with one. Send an email to register@getintothspotlight.com and we will update your email address allowing you to login. *Please do not create a new account until you have heard back from us as it will unnecessarily complicate the registration process for you and us.*

Shoes:

As in prior years no Target or Walmart dance shoes or any other type of shoe with thin aluminum taps may not be worn on our dance floors. If in doubt check with us first before purchasing shoes. Additionally, if your existing tap shoes have scratches or have been worn outside the studio, you will need to replace them. Please inspect your dance shoes prior to registration and make sure your child does not wear his/her dance shoes outside at anytime.

If you need further placement information or have any questions, please call us (703-973-8133) or email us (lisa@getintothspotlight.com).

Thank you and I look forward to seeing you all soon,

Ms. Lisa and the Spotlight Staff
